

ADARA is a proud sponsor of ONOS Build 2016, the largest developer conference of its kind, bringing ONOS developers and contributors from all over the world to share, learn, align, and plan together.

Spanning three days, the ONOS Build 2016 event is being held in Paris, France on November 2-4th and will be a catalyst for bringing multiple new organizations into the community. Future events will be held in other areas of the world, including ONOS Build 2017 in Asia.
